REPORT OF THE COURT OF WARDS OF THE PROVINCE OF OUDH FOR THE YEAR 1890-91.

No. $\frac{1360N.}{X}$ OF 1892.

FROM

F. L. PETRE, ESQ., C.S.,

JOINT SECRETARY TO THE BOARD OF REVENUE,

N.-W. PROVINCES AND OUDH,

TO

THE CHIEF SECRETARY TO GOVERNMENT,

NORTH-WESTERN PROVINCES AND OUDH.

DATED NAINI TAL, THE 8TH JULY 1892.

SIR,

Present:
W. KAYE, ESQ.,
Junior Member.

Introductory.

I AM directed to submit the annual report, for the year ending the 30th September 1891, on the administration of estates under the superintendence of the Court of Wards in Oudh. It has been delayed owing to the fact that the report of the Akbarpur estate was not received from the Lucknow Commissioner until the 29th March and was not ready in print till the 21st April. The changes introduced by Act XX of 1890 took effect from 1st January 1891, so the Board occupied the position of Court of Wards for only nine months of the period reported on. The present report is the last which will be submitted for Oudh separately from the North-Western Provinces. The forms of appendices to the two reports have now been assimilated, and in future years it will be obviously more convenient that they should be amalgamated, as will also be the case with the Board's Revenue Administration Report.

Number of estates under management during the year.

2. The year commenced with 37 encumbered and other estates under Court of Wards. The following statement, corresponding partly to statement I appended to the report of the North-Western Provinces, shows the circumstances under which and the date when charge was assumed of each of the estates under management during the whole or part of the year. Of the 37 at the commencement of the year one (Sarwan Baragaon) was released. Another estate (Rájapur), having been both taken over and released during the year, did not affect the balance at its close :—

Lucknow and Gonda are the only districts of the Province having no estate under the Court.

Estates released during the year.

3. The following narratives describe the circumstances under which one estate, which had long been under management, was released and another was both taken under management and released during the year.

Sarwan Baragaon estate, Hardoi district.—This estate, consisting of 33 villages, in 9 of which the Talúqdár has sole rights, is situated in the Hardoi and Kheri districts, and was taken under management on 3rd June 1871 under the provisions of section 3, Act XXIV of 1870. In 1886 the Kheri portion of the estate, consisting of 10 villages known as Sarsawan, was made over to the Talúqdár for management, under the orders of the Deputy Commissioner. He was allowed to retain, in lieu of fixed allowances, the profits of that portion of the estate. During the term of management the cultivated area in the 9 villages in which the Talúqdár has sole rights rose from 6,724 to 6,968 bighas and the gross rental from Rs. 16,967 to Rs. 22,628, while the rental of the whole estate (excluding the Kheri portion) has risen from Rs. 29,630 to Rs. 36,539. Ten wells have been constructed since management was assumed and 48 tenants were settled on the estate. Owing to the indebtedness of the estate, very little could be done in the way of improvements. The general condition of the tenantry and of the estate has much improved during the Court's management. The debts due on assumption of charge amounted to Rs. 1,50,468 and were compromised for a sum of Rs. 1,21,777, which was advanced by Government. In January 1891 the Talúqdár applied for permission to pay up the balance of the loan then due to Government. His request was granted, and on the 3rd June 1891 he paid in the balance, which amounted to Rs. 44,500. The estate was accordingly released and made over to the Talúqdár in a prosperous condition under Revenue Department Notification No. $\frac{1481}{1-769A.}$, dated 24th June 1891.

Rájapur estate, Partábgarh district.—This estate, consisting of 9 villages, belongs to Lal Sripat Singh, who, in September 1889, was convicted of abetment of forgery under sections 109 and 466 of the Indian Penal Code and sentenced to 18 months' rigorous imprisonment and a fine of Rs. 1,000, or in default to a further term of rigorous imprisonment for six months. The estate was first taken under direct management for arrears of revenue due in May and June 1890, and it remained attached up to the end of September 1890. On a reference being made to the proprietor as to whom his estate should be entrusted to while he was in jail, he expressed a wish that it might continue under Government management. On the recommendation of the local officers the Government, in orders conveyed in G. O. No. $\frac{2230R.}{785B.—7}$, dated 26th September 1890, sanctioned the assumption of charge by the Court of Wards under section 162 (*f*), Act XVII of 1876, till 12th March 1891, the date on which the term of 18 months' imprisonment would expire. As the proprietor did not pay the whole of the fine imposed on him he had to undergo a further term of three months' imprisonment, and in consequence Government, in G. O. No. $\frac{813}{I—754A.}$, dated 28th April 1891, sanctioned the retention of the estate under management till 14th June 1891. The receipts during the 9 months the estate was under Court of Wards' management amounted to Rs. 11,670 and the expenditure to Rs. 10,347, leaving a balance of Rs. 1,323, which has been made over to the proprietor.

4. The following table exhibits by districts the demands and collections on account of rent of land of the estates under management :— Rental demand and collections.

District.	Demand.		Collection.		Percentage of collection of current rent to current rental demand.	Percentage of collection of arrears to demand on account of arrears.

Total ...	20,29,724	1,16,745	19,68,965	36,482	97·00	31·25

Deducting the rental of the estates under management for part of the year only, there was a rise, as compared with last year, of Rs. 34,402 in the rental of the 36 estates still under management on the 30th September 1891. There was a falling off in 6 estates only, *viz.*, Bubriha, Pandriganeshpur, Bajehra, Deokalia (9 annas), Wálipur, and Akhiapur. In Pandriganeshpur alone was the decrease of sufficient importance to call for notice. In that estate the demand fell by Rs. 12,158 or 18·7 per cent., and this was due to the release of 14 villages which the estate held under mortgage. In the remaining villages of the estates there was a slight rise in the rent-roll.

The following estates show the largest proportionate increase in rental :—

District.	Estate.	Increase.	Percentage.
Kheri	Bansi	890	14·1
	Mallanpur	13,950	7·9
	Kaimahra	2,838	5·2
	Khairigarh	4,427	3·0
Sitapur	Akbarpur	3,284	5·1
	Deokalia (7 annas)	191	2·3
Hardoi	Khajurahra	1,338	2·2
Bahraich	Kunera	459	2·8
Bara Banki ...	Narauli	2,697	3·9
	Mailaraiganj	2,256	2·4
Fyzabad	Musipur Chandipur	2,089	15·0
Sultánpur ...	Rámpur	979	4·6

In the following large estates a considerable absolute increase represented only a small percentage :—

	Increase.	Percentage.
Khapradih	1,097	1·4
Rámnagar Dhameri	3,602	1·2
Surajpur	2,329	1·4

For these increases the causes assigned in the several estates are as follows :—

Musipur Chandipur.—The rent paying area was increased by three villages, the mortgage on which was redeemed.

Bansi, Mallanpur, Kaimahra, Akbarpur, Khajurahra.—In all these estates a large portion of the rent is taken in cash on an appraisement of the crops (*kankut*), and the year was particularly favourable, the rabi crops being good.

Rámpur.—Due largely to land formerly held as sír being let out to tenants.

Narauli.—Cancellation of leases, breaking up of waste land, and legal enhancements.

Khairigarh.—Apparently due to extension of cultivation.

Kunera.—One village was re-let at an enhanced rental and one taken under direct management and some waste land reclaimed.

Mailaraiganj.—Leases at enhanced rates and additional area acquired on mortgage.

Deokalia (7 *annas*).—Increase on rents paid by *batai* owing to good season.

Khapradih.—Due chiefly to patwári rate for two and a half years not included in the demand.

Rámnagar Dhameri.—New land brought under cultivation, cultivation of land of deceased and absconded tenants, and enhancement of leases mainly account for the increase.

Surajpur.—Legal enhancements.

The full rent-roll for the year amounted to Rs. 20,43,067, but advance collections in the previous year had left only Rs. 20,29,724 actually to be collected during the period under report. Rupees 19,68,965 were collected, being 97 per cent. against 95·96 in the previous year.

The rental was realized in full in three estates : in seven over 99 per cent. was collected, and in 12 the percentage was from 98 to 99. Collections generally were thus very good, and in the following cases only, for the reasons given, were they below the average :—

Rájapur (82·42).—Due chiefly to the fact that the estate was only under management for part of the year.

Deokalia [(9 *annas*) 94·30].—Due mainly to the manager not being able to look after collections properly. The arrangements for management have been changed.

Rámpur (94·41).—The larger part is due from Anant Parshad Singh, against whom it appears to have been necessary to bring suits for its recovery.

Rámnagar Dhameri (94·60).—Due to inundations which damaged the kharíf crops.

Rehwa (94·98).—Failure of kharíf crops and straitened circumstances of tenants.

Advance collections on account of the ensuing year amounted to Rs. 4,045, mainly in the Akbarpur (Rs. 2,287) and Khairigarh (Rs. 1,039) estates. The advance collections last year were Rs. 11,975. In Akbarpur, the report of which was very late, no explanation has yet been given of the advance collections, but special report has been called for. In Khairigarh a considerable portion was collected from lessees under terms of their leases, as explained in paragraph 7 of last year's report.

Collection of arrears.

5. The results under collection of arrears of rent for previous years are still very poor, though a slight improvement is shown on the preceding year. At the commencement of the year there was an outstanding balance of Rs. 1,16,745, of which only

Rs. 36,482, or 31·25 per cent., against 29·07 per cent. the year before, were collected. The total arrears, including those of current rent, due at the close of the year, after deducting arrears of estates released, were Rs. 1,35,889, being Rs. 8,133 less than at the close of 1889-90.

The heaviest balances of arrears are explained as follows:—

Bhiragobindpur.—Arrears, Rs. 13,062; realized, Rs. 2,808; remitted as irrecoverable, Rs. 3,226. The remainder is partly secured by bonds or decrees and is partly in process of collection.

Mallanpur.—Arrears, Rs. 22,152; collected, Rs. 8,409; remitted as irrecoverable, Rs. 5,381; doubtful, Rs. 720. The remainder is due from villages where the kharíf had been poor for two years.

Rámnagar Dhameri.—Arrears, Rs. 25,758; collections, Rs. 6,230. Rupees 1,329 are disputed, and the rest could not be collected in consequence of damage from floods already alluded to.

Surajpur.—Arrears, Rs. 11,703; collected, Rs. 3,501. Of the remainder Rs. 2,949 will probably have to be remitted as irrecoverable and Rs. 2,491 are secured by bonds or decrees.

APPENDIX II. Demands and collections from other sources.

6. The demand, collections, and balance under each head other than rent of land are shown in the following table:—

Particulars.	Rent of houses.	Takávi.	Law expenses.	Interest.	Miscellaneous.	Total.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Demands ...	7,564	22,588	32,193	20,927	3,19,895	4,03,167
Collections ...	4,830	16,767	18,677	17,234	2,90,431	3,47,939
Balance ...	2,734	5,821	13,516	3,693	29,464	55,228

Rent of houses.

The Mailaraiganj estate is the principal contributor to the demand under house rent. The demand on this estate was Rs. 4,107, but only Rs. 2,383 were collected. Of the balance of Rs. 1,724 nearly the whole was due from the tenant of the bungalow in Lucknow mentioned in paragraph 10 of last year's report. He has since died, and it has been found necessary to remit the balance as irrecoverable. In the Rámnagar Dhameri estate a balance of Rs. 559 out of a demand of Rs. 889 remained uncollected; Rs. 480 of this are due from a European trader against whom a suit has been filed.

Takávi advances.

7. The demand for takávi advances was Rs. 22,588; of which Rs. 16,767 or 74 per cent. were collected.

Of the balance of Rs. 5,821 the greater portion is accounted for by the following estates:—

Bhiragobindpur.—Balance Rs. 1,045, of which Rs. 193 are reported irrecoverable, and the remainder is due from tenants who, owing to their embarrassments, had to be allowed time.

Mallanpur.—Balance Rs. 888. Owing to damage to the kharíf crops, the tenants to whom advances for seed had been made required lenient treatment.

Rehwa.—Balance Rs. 771. Of this Rs. 92 have been remitted as irrecoverable and the remainder the tenants were unable to pay during the year.

Pokra Unsari.—Balance Rs. 643. A cause similar to the above is assigned.

Bhilwal Sikandarpur.—Balance Rs. 656 is chiefly due to disputes as to liability arising in consequence of embezzlements by the late ziladár.

The fall of the percentage of collections from 79 to 74 is not satisfactory.

Law expenses recoverable.

8. The collections under law expenses were 58 per cent. of the demand, against 22 per cent. in the previous year. This year nearly half the balance is due on estates of the Kheri district.

A balance of Rs. 3,795 in the Khairigarh estate is due to the delays consequent on execution having to be taken out against the ancestral property of certain judgment-debtors.

In Mallanpur the balance was Rs. 1,583 out of a demand of Rs. 1,857. Rupees 651 of this are due in cases at present the subject of appeal and the remainder is in train of realization.

Of a balance of Rs. 1,437 in the Pandriganeshpur estate, Rs. 1,278, being due from former lessees of a bazár, are said to be irrecoverable.

Rupees 1,789 were left outstanding in the Rehwa estate, of which Rs. 919 are due from a relative of the ward whose under-proprietary rights have been put up for sale. He proposes to sell a portion of the village to the estate and, as soon as the negotiations are completed, these and other arrears due from him will be realized.

Niámat Khan, mentioned in paragraph 12 of last year's report, appears to be still accountable for a large portion of the balance in Mahona.

Interest on invested capital.

9. The demand under this head being Rs. 20,926 and collections Rs. 17,233, there remained a balance of Rs. 3,693. The chief variation in the demand is a large rise in the Mailaraiganj estate, due apparently to realization of the interest on the loan to the Benares Municipality. On the other hand, the demand for the Dahyawan estate fell off considerably, as a sum of Rs. 2,467, shown in the demand of the previous year, had to be struck off as irrecoverable. Almost the entire balance is due to the Rehwa estate from a relative of the ward. His village is in possession of the estate, but owing to the kharíf being damaged by floods and to obstruction in collections by the debtor, the interest could not be realized. The amount will be recovered with the legal expenses due from the same person alluded to in the last paragraph.

Miscellaneous.

The miscellaneous demand was Rs. 3,19,895, which included a new loan of Rs. 22,000 taken by the Surajpur estate from the Allahabad Bank, and Rs. 44,896, paid in discharge of the debt to Government by the Talúqdár of the Sarwan Baragaon estate through the Court of Wards. The money, having been first paid to the Court of Wards by the Talúqdár and then made over to Government, appears as a credit to the estate on the one hand and as payment of a debt by it on the other. Of the remaining demand, Rs. 2,52,999, a balance of Rs. 29,464 remained outstanding, which is chiefly accounted for by the following estates :—

Akbarpur estate.—Balance Rs. 5,783, consisting chiefly of sums due previous to the Court of Wards' jurisdiction. Rupees 2,274 have already been remitted as irrecoverable, and it is to be feared that the greater part of the remainder will eventually turn out to be so.

Mallanpur.—Balance Rs. 4,742 ; of this Rs. 1,363 have been remitted as irrecoverable. Of the remainder Rs. 1,289 are on account of "hides" and Rs. 1,147 on account of grazing dues. The failure to collect these large sums has not been explained and further report has been called for.

Rámnagar Dhameri.—Balance Rs. 8,719, of which the following heads account for the greater portion :—

	Rs.
Bazár dues	2,047
Manorial dues	1,009
Debts	2,500
Patwári cess	671
Miscellaneous	1,968

The balance of debts will be collected according to instalments in future years. No less than Rs. 1,608 of the bazár dues are said to be in dispute, an explanation which

is far from satisfactory. The balance of patwári cess is also unsatisfactory. On the whole, the balance in this estate is not creditable to the late manager.

APPENDIX III. Cash balances.

10. The total assets of the estates under Court of Wards amounted to Rs. 29,03,457; of this Rs. 3,50,045 is invested capital. The working balance therefore amounted to Rs. 25,53,412. Expenditure was Rs. 23,60,389, leaving an available surplus of Rs. 1,93,023. Of the invested capital, Rs. 1,84,000 is in Government securities and Rs. 1,66,045 out on loan. In the latter sum is included the advance of one lakh made to the Benares Municipality. The following were the largest uninvested balances :—

	Rs.
Khairigarh	20,467
Khapradih	19,865
Rehwa	20,397
Kurwar	17,050
Mailaraiganj	34,788

The two first and the last estates are large, and considerable balances in their case are required. Of the balance in Rehwa, Rs. 18,000 were lent immediately after the close of the year to the Kunera estate. The loan was sanctioned, but could not be carried into effect within the year of report. Endeavours to find suitable investments in land for the balance of the Kurwar estate are being made. The retention of a considerable balance of Rs. 6,566 in the Bajehra estate is necessitated by possible legal expenses and for the recovery of a portion of the estate which was long since mortgaged to one Kasim Husain Khan, and which the family are very anxious should be redeemed if possible. With Government securities at the high premium they reached at the end of the year and with the necessity for very careful inquiries before investment in other loans or in land, it is not always easy to find quickly a profitable investment for large balances.

APPENDIX IV. Expenditure.

11. The expenditure for the year of report under each head is shown in the following table as well as the percentage of each head on total income in the last three years :—

Heads of expenditure.	Amount.	Percentage of total income.		
		1890-91.	1889-90.	1888-89.
	Rs.			
Government revenue, cesses, and rates ...	9,14,210	38·8	40·0	23·9
Cost of management	1,39,576	5·9	5·1	3·1
Personal expenses (ordinary)	1,57,909	6·7	6·8	4·3
Ditto (extraordinary)... ...	33,282	1·4	2·2	1·4
Law expenses	38,365	1·6	1·7	0·9
Subscriptions	12,967	0·5	0·4	0·3
Education...	13,575	0·6	0·5	0·3
Improvements	62,466	2·7	2·0	1·2
Miscellaneous	3,20,544	13·6	7·9	5·9
Payment of debts	6,67,495	28·3	31·3	55·2
Total ...	23,60,389	100·1	97·9	96·5
Balance ...	—2,957	— 00·1	2·1	3·5
Income of year ...	23,57,432	100·	100·	100·

As explained last year the percentages of the three years cannot be fairly compared owing to the different amounts of loans included in the total income. In the year of report only Rs. 22,000 are so included.

The demand for Government revenue, excluding cesses and local rates, (Rs. 8,30,873) was 40·6 per cent. on the current rental and was discharged in full.

Cost of management.

12. Taking only the normal income, the cost of management was 7 per cent. against 5·8 in the previous year. In previous years charges for "shahnas," &c., had been

erroneously shown under "miscellaneous" instead of under "cost of management," to which they clearly belong. Again, an increased rate of ¾ per cent. on the normal income of estates managed under clauses (*b*), (*c*), (*d*), and (*e*), and of 1 per cent. on those under clauses (*a*), (*f*), and (*g*), section 162, Act XVII of 1876, was levied to provide for the cost of the Board's establishment and that of the Legal Remembrancer to Government. These are the causes which account for the increased percentage borne by the cost of management.

The special scheme of management was in force in the districts of Rae Bareli, Kheri, Sultánpur, and Bara Banki. In the early part of the year the estates in Rae Bareli and Sultánpur were under the management of Thakur Salehdi Singh, but, as explained in paragraph 17 of last year's report, it became necessary to divide the management. For the remainder of the year the managers were Zahur Muhammad in Rae Bareli and Munshi Nur-ullah in Sultánpur. The Kheri estates were managed by Babu Parsotam Das. In Bara Banki, Munshi Aulád Muhammad was succeeded during the year by Mr. Campbell Hamilton. The special scheme has been introduced in Sitapur since the close of the year.

Personal expenses.

13. Ordinary personal expenses amounted to Rs. 1,57,909, and extraordinary to Rs. 33,282. Under "ordinary" the largest charges were in Khairigarh (Rs. 22,516), Mallanpur (Rs. 15,000), and Rámnagar Dhameri (Rs. 23,792), in all of which they represent allowances to talúqdárs and their relatives. The following are the heaviest items of extraordinary personal expenditure:—

Pandriganeshpur.—Rupees 3,063 were spent on repairs to the ward's house and Rs. 500 on medical attendance.

Bhiragobindpur.—The chief expenditure was on religious ceremonies (Rs. 1,200).

Khairigarh.—Rupees 5,000 were spent on expenses connected with pilgrimages of two of the Ránis.

Mallanpur.—Rupees 1,000 were required for medical treatment, and Rs. 1,000 for expenses of the removal from Jeypur of the ward's sister.

Kaimahra.—Rupees 2,600 were required for various religious ceremonies.

Dahyawan.—Rupees 2,000 were spent on the funeral ceremonies of two ladies, Rs. 600 on purchase of a camel and horses, and Rs. 500 on a pilgrimage to Jagannath.

Education.

14. The educational charges, amounting to Rs. 13,575 are divided among 19 estates. The following wards were at the Agra Institute:—Thakur Shankar Bakhsh of Khajurahra, Thakur Bijai Bahádur Singh of Rehwa, and Babu Randhir Singh of Dahyawan.

Thakur Shankar Bakhsh was not very successful in the matter of book learning, but in other respects he is very favourably reported on and is now learning how to manage his own estate. Thakur Bijai Bahádur Singh has, on the whole, a satisfactory report. Babu Randhir Singh was also well reported on. The two latter were, on the closing of the Wards' Institute at Agra, sent to the Colvin Institute at Lucknow.

The Rs. 948 spent by the Khairigarh estate represent the educational charges of Kunwar Dalipat Singh as well as certain scholarships paid for by the estate and some tuition, in Urdu, for the first Ráni. Rája Partáb Bahádur Singh of Kurwar, who has a private tutor, is well reported on. The two grandsons of the owner of the Kharka estate are studying at the Canning College, Lucknow, and are progressing satisfactorily. The ward of the Maila aiganj estate is also doing well at the same college.

15. Under this head the following sums were expended, as compared with the preceding year :— Improvements.

	1889-90.	1890-91.
	Rs.	Rs.
Takávi (recoverable)	13,756	17,735
Improvements	31,818	44,731
Total ...	45,574	62,466

This is a considerable improvement, especially in the matter of improvements properly so-called where the expenditure has increased by 40 per cent.

The allotments in the various budgets were made before the Board assumed control of the Court of Wards. The following notes show the result by districts :—

Unao.—Nothing could be expended in improvements in Bubriha, the only estate in the district, as lands are jointly held with other co-sharers.

Rae Bareli.—Bahua is an encumbered estate, and very little can be spent on improvements. The expenditure of Rs. 439 on the Pandriganeshpur estate, largely on tree planting, was small considering the size of the estate. Rupees 1,800 have been provided in the current year. Bhiragobindpur, a heavily encumbered estate, also spent only Rs. 165 on improvements. Rupees 1,200 have been provided for the current year. Regarding the Binohra estate it is said that it is sufficiently provided with wells, and other useful projects will have to be sought for.

Sitapur.—In Bajehra the allotment has been raised to Rs. 2,400 in the current year. The two Deokalia estates are now fairly clear of debt and larger sums have been provided for improvements. Akbarpur shows a large expenditure of Rs. 2,823, chiefly on wells. Only Rs. 1,516 were allotted in the current year, but seeing that the estate will shortly be clear of debt, the Board have called for further proposals for improvements.

Hardoi.—The Behti Chirágpur estate is hampered by the necessity of repayment of a takávi advance from Government, and is a small estate from which little can be expected. Khajurahra expended Rs. 2,460, chiefly on tanks and wells, and the allotment for the current year is Rs 2,500.

Kheri.—In Khairigarh, out of an allotment of Rs. 1,691, only Rs. 867 were spent. This was mainly on drinking water wells, the most expensive being one attached to the Talúqdár's house. The result is unsatisfactory. The Board trust that the allotment for the current year (Rs. 4,602) wil lbe worked up to. Regarding Mallanpur it is reported that the estate is heavily encumbered, and that owing to its situation it is not in much need of irrigation. Other suitable projects will have now to be sought. Of an allotment of Rs. 1,500, only Rs. 376 were spent, and that only on repairs to wells. The Board have allotted Rs. 2,000 for improvements in the current year and have directed the early preparation and execution of suitable projects. In Kaimahra, similarly, only Rs. 555, out of an allotment of Rs. 1,000, were spent; Rs. 1,280 have been provided in the current year's budget, and the Board have urged the necessity of preparing suitable projects.

Fyzabad.—Of the total expenditure of Rs. 3,708 (out of an allotment of Rs. 3,800) in the Khapradih estate, Rs. 1,990 were for the construction of a ward in the Dufferin Hospital at Fyzabad. The Musipur Chándipur estate spent nothing, on the ground of its indebtedness, but Rs. 436 have been set aside for the current year.

Bahraich.—The Rehwa estate spent Rs. 5,877 on wells, a bridge and a bazár and cattle market. Indebtedness is urged as the reason why no expenditure was incurred by the Kunera estate, but it has been found possible to allot Rs. 550 in the current year for improvements.

Sultánpur.—Mahona, an encumbered estate released since the close of the year, spent Rs. 400. Kurwar expended Rs. 3,186 on wells, bridges, &c. The allotment has

been raised to Rs. 5,934 for the current year. Rámpur spent only Rs. 300, but the allotment has been raised now to Rs. 1,500.

Partábgarh.—Bargaon, being deeply in debt, could only afford Rs. 297, and Dahyawan, Rs. 422. Pandwasi is very small, and Rájapur was only under management for a portion of the year, so that nothing could be spent on either of these estates.

Bara Banki.—The Pokra Unsari estate shows Rs. 2,671 expended chiefly on wells. Togapur Yakutganj having only recently been brought under direct management, no expenditure was feasible. Kharka expended Rs. 1,377, chiefly on wells, and Bhilwal Sikandarpur, Rs. 1,635, on similar objects. Amirpur, being heavily encumbered, spent only Rs. 100 on a watercourse. In Mailaraiganj the expenditure rose from Rs. 3,348 to Rs. 4,348, chiefly on irrigation works and wells. Narauli spent Rs. 931 on wells and jungle clearing. Rámnagar Dhameri, notwithstanding its heavy debts, shows the largest expenditure on improvements of any estate in the Province (Rs. 8,253), and Rs. 13,140 have been put aside for the current year. The expenditure was mainly on wells (Rs. 2,661), and on roads and bridges (Rs. 2,652). The Surajpur estate spent Rs. 1,014, but as there will be no difficulty in clearing it of its debts before the ward comes of age, this expenditure might be increased. In Akhiapur, owing to its indebtedness, nothing could be done by the estate.

In many of the above estates wells have also been constructed by tenants who have been assisted with wood, &c., by the estates. The special attention of all Deputy Commissioners concerned has been called to the remarks of Government in paragraph 13 of their review of last year's report on the subject of improvements, and proposals for special well-sinking establishments have been made and, in some cases, sanctioned. Finally, the Board have, as in the North-Western Provinces, devoted special attention to the question of sufficiency of provision in the budgets for works of improvement. This is all the Board can do. It rests with District Officers to make sure that the money devoted to improvements is really profitably spent. Where a District Officer reports that no suitable projects are forthcoming it is obviously useless to press immediate expenditure.

Vaccinators, &c.

16. Vaccinators were employed in 17 estates and performed 11,682 operations, of which 8,029 were returned as successful. The dispensary maintained by the Rehwa estate at Keshwapur showed a slightly increased attendance of 4,505 out and 36 in-patients against 4,453 and 24 in the previous year.

APPENDIX VI.
Takávi.

17. The total takávi advances made to tenants were Rs. 17,735, being Rs. 3,979 in excess of the year before. The Kheri district shows the largest advances (Rs. 4,733). The amount in Bara Banki has fallen off by Rs. 4,193, and Sitapur also shows only about half the advances of last year. All other districts show increase, especially Fyzabad (Rs. 2,197) and Sultánpur (Rs. 2,393). Altogether there were outstanding, principal and interest, due to the estates, Rs. 52,913, of which Rs. 22,794 fell due within the year. Rupees 16,894, or 74 per cent., were collected, and at the close of the year the total outstandings were Rs. 36,019. Collections under this head have been discussed above.

Law expenses.

The expenditure under this head was—

	Rs.
Recoverable	19,583
Irrecoverable	18,782
Total ...	38,365

The former head has increased, the latter diminished, as compared with the previous year. The decrease in irrecoverable charges is chiefly due to the contribution to Legal Remembrancer's office being now shown under "cost of management."

Nearly half the recoverable expenses were incurred in Bara Banki, where the charges for the Rámnagar, Dhameri, and Surajpur estates were large. A good deal had to be spent in rent litigation in Rámnagar Dhameri to save claims from being barred by

limitation, but, looking to the size of the estate, its litigation is not heavy. The recoverable expenditure (Rs. 3,151) was heavy in the Surajpur estate, which had to defend a number of suits on old claims and for debts incurred by the ward's mother.

In paragraph 23 of last year's report attention was called to the subject of rash and unnecessary litigation, which seems to have been more common in Oudh than in the North-Western Provinces. All proposed litigation is now carefully considered by the Board, and complaints on this head will, they confidently expect, now cease.

The Legal Remembrancer's report deals with the civil litigation of the Court of Wards.

Notices of ejectment.

18. Notices of ejectment rose from 18 to 63, of which 39 were contested. The following estates are responsible for the notices :—

Khairigarh.—Five notices issued. In one the tenancy was continued by agreement, four were contested, one only with success. Notices were necessary on account of very low rents.

Mallanpur.—Out of 11 notices issued, the tenants agreed to enhancement in 9 cases and the remaining two have not yet been settled.

Kurwar.—Seventeen notices, of which 9 were contested, 6 of them successfully. These results are unsatisfactory and seem to point to want of proper care in issuing notices.

Bhilwal Sikandarpur.—Nine notices were issued and all contested, but only in one case was the objection successful. The land was taken up at enhanced rates by other tenants.

Khapradih.—Six notices were issued and five of them were contested, but without success. Ejectments being carried out, the land was taken up at an enhancement of one anna in the rupee by other tenants.

Rámnagar Dhameri.—Ten notices were issued, objections being allowed in two and rejected in eight. The land was taken up by other tenants.

Narauli.—Fiven otices issued, of which two were contested unsuccessfully. A large increase of rent was obtained.

APPENDIX VII.
Debts.

19. A sum of Rs. 22,000 was taken on loan from the Allahabad Bank by the Narauli estate. Including this sum, the total amount owed by the several estates, inclusive of interest, at the commencement of the year, was Rs. 30,37,427, which, by the addition of interest accruing during the year, amounted at its close to Rs. 32,23,541. Of this, Rs. 5,23,007 were paid from surplus cash in hand and Rs. 1,44,488 from other sources, leaving a balance of Rs. 25,56,046 still due. However, this was reduced further by a sum of Rs. 14,982 remitted by creditors and the final balance, at the close of the year was—

	Rs.
Principal	24,96,661
Interest	44,403
Total ...	25,41,064

The balance of interest was Rs. 11,887 less than last year.

The close of the year left only two encumbered estates under the management of the Court of Wards, and one of them, Mahona, has been released during the current year, leaving Bahua as the only estate now managed under Act XXIV of 1870. The Deputy Commissioner does not think that anything further can be done towards raising the income of the estate, but the matter will be kept in view. The talúqdár is unwilling that any part of the estate be sold. The debts can probably be cleared off in about eight years. The management of 21 years resulted

in their reduction from Rs. 1,00,381 to Rs. 33,000. The case of Captain Gulab Singh of Bhiragobindpur, alluded to in paragraph 25 of last year's report, has been finally settled up in the current year. Debts amounting to Rs. 1,75,936 were compromised for a cash payment of Rs. 1,38,227. A separate report has been submitted to Government. The Sarwan Baragaon estate, as already noted, was cleared of its debt by the payment of the balance by the talúqdár and was released. Besides these estates the most heavily indebted were the following :—Rámnagar Dhameri will probably be clear in about six years. Fair progress has been made during the year. It is not probable that the debt on Mallanpur will be cleared off under 15 years. When the debts of Surajpur were totalled in 1889 they amounted to between eight and nine lakhs, but large reductions were made by creditors and a little over six lakhs remained to be paid. This will probably be done in less than nine years. Bhilwal Sikandarpur will probably be clear of debts for which the estate is responsible in about four years. It cannot be held responsible for debts which the Chaudhrain Bech-un-nissa has incurred without the consent of the Court of Wards. Amirpur will be cleared in about six years at the present rate of progress in payment of debts.

Government loans.

The following statement shows the progress made in the clearing off of the Government loans :—

Division.	Estate.	Amount of Government loans.	Amount of principal paid.	Balance of principal.
		Rs.	Rs.	Rs.
Rae Bareli	Bahua	70,380	37,380	33,000
	Bhiragobindpur	2,25,000	1,38,000	87,000
	Pandriganeshpur ...	3,50,000	2,94,100	55,900
Hardoi	Sarwan Baragaon ...	1,21,777	1,21,777	...
Sultánpur	Mahona	1,15,500	1,15,235	265
Bara Banki ...	Togapur Yakutganj ...	76,525	43,425	33,100
	Total ...	9,59,182	7,49,917	2,09,265

20. Of the officers in charge of estates during the year under report, the Board desire to notice specially the services of Colonel Grigg and Mr. Whish. The former works indefatigably in supervising the administration of the estates under his charge, and his only regret seems to be that the whole Bara Banki district, instead of only one-fifth of it, is not under Court of Wards. The trouble taken by Mr. Whish in the matter of Gulab Singh's debts, and the personal inconvenience he underwent in visiting Amritsar to make better terms for the estate, deserve special acknowledgment.

Benevolent endowments and miscellaneous trusts.

21. The list of benevolent endowments and miscellaneous trusts shows 16 at the close of the year, against 10 in the previous year. The New Charity Fund comprises three sub-divisions. Six trusts, detailed below, were not brought to the notice of Government and the Board in the last two years, and only came to light when the Board instituted inquiries in connection with Act VI of 1890. They are—

(1)	Balrámpur Dispensary Fund	Gonda.
(2)	Rája Hira Singh's Blanket Trust Fund ...	Bahraich.
(3)	Ditto Quinine ditto ...	
(4)	Ditto Sarái ditto ...	
(5)	Nawábganj Poorhouse	Bara Banki.
(6)	Grigg Female Hospital	

The receipts and expenditure for the year of report and its predecessor were as follows :—

Receipts.	1889-90.	1890-91.
	Rs.	Rs.
Opening balance	45,199	47,622
Receipts of the year	71,588	79,051
Total ...	1,16,787	1,26,673

Expenditure.

	Rs.	Rs.
Balance paid on account of previous year	1,242	30
Paid for trust purposes	55,535	55,263
Ditto other ditto	15,872	24,721
Total ...	72,649	80,014
Balance at close of the year	44,138	46,659

The excess of the opening balance over the closing balance of the previous year is due to non-receipt of accounts for the trusts which, as already mentioned, did not appear on last year's list. Excluding the six trusts above-mentioned, and comparing those only which appeared last year, receipts, exclusive of opening balance, show a decrease of Rs. 5,314. This is accounted for chiefly by a decrease in the receipts under "interest on securities" belonging to the King's Hospital, Lucknow, and in cash offerings at the Dargah of Saiyid Salár in Bahraich. In the former case the full year's interest was not realized and credited within the year, and in the latter the falling off is ascribed to the check caused by sickness prevailing in Bahraich and neighbouring districts. In three other cases the interest on securities was not realized in full. An outstanding balance of Rs. 252, on account of rent of land and houses belonging to the Dargah of Saiyid Salár, is in train of liquidation. Of the expenditure of Rs. 80,014, trust purposes absorbed Rs. 55,263 and other purposes Rs. 24,721. Government promissory notes of the nominal value of Rs. 11,000 were purchased at a cost of Rs. 11,766 for the Grigg Female Hospital. Inclusive of Rs. 10,28,000 invested in Government securities, the surplus assets of the several trusts amounted to Rs. 10,85,005 at the close of the year.

Educational trusts.

22. The number of educational trusts remained as last year (9). Exclusive of the opening balance (Rs. 70,338), receipts were Rs. 90,100, and, expenditure being Rs. 87,956, the closing balance at the end of the year amounted to Rs. 72,482; of this Rs. 65,000 are invested in Government securities.

ORDERS OF GOVERNMENT.

No. $\frac{2242}{I-719A}$ OF 1892.

FROM

THE CHIEF SECRETARY TO GOVERNMENT,

N.-W. PROVINCES AND OUDH,

To

THE SECRETARY TO THE BOARD REVENUE,

N.-W. PROVINCES AND OUDH.

DATED NAINI TAL, THE 31ST AUGUST 1892

SIR,

REVENUE DEPT

I AM directed to acknowledge the receipt, on the 22nd August, of your letter, dated 8th July, with which you submit the Board's report for the year ending the 30th September 1891 on the administration of the estates under the superintendence of the Court of Wards for Oudh. It is to be regretted that the report for the whole Province was delayed by the omission of the Commissioner of Lucknow to forward the report on the Akbarpur estate before the 29th March. The report was due from the Deputy Commissioner of Sitapur on the 1st December, and I am to ask what explanation has been offered of the delay. At the same time I am to observe that the absence of the Akbarpur report need not have delayed the compilation of the provincial statements, and does not explain why the short report now under review was not completed before the 8th of July. The remarks of the Board and of Government lose much of their force and usefulness if they are not published till nearly a twelve-month has elapsed since the conclusion of the year to which they refer. I am to request that the Board will endeavour to submit the combined report for both Provinces next year before the 1st of July.

2. At the commencement of the year there were under management 37 estates. Of these three estates were managed under the Encumbered Estates Act; 18 belonged to minors and 16 to proprietors who had been disqualified under clauses *(a)*, *(c)* or *(g)* of section 162, Act XVII of 1876. In addition to the above another estate, Rájapur, in the Partábgarh District, was under the Court's management for some nine months; the owner, who had been convicted of a criminal offence and sentenced to imprisonment, being disqualified under clause *(f)* of section 162. No other estate was taken under management during the year, and the only estate released was Sarwan Baragaon in the Hardoi District, which for 20 years had been managed under the provisions of the Encumbered Estates Act. The debt to Government, which originally amounted to Rs. 1,21,777, had been reduced to Rs. 44,500, and at the Talúkdár's request permission was given to him to pay up the balance. On this being done the estate was released. Owing to the indebtedness of the estate, the expenditure on improve-

ments was limited: still the general condition of the tenantry is said to have much improved under the Court's management. Ten wells have been sunk and the rental has been raised 19 per cent.

3. The total income, expenditure and balances of the estates are shown in the following table:—

		Rs.	Rs.
Cash balance at the commencement of the year	...	...	5,46,025
Receipts during the year, rent collections	...	20,09,493	
Receipts from other sources ...	...	3,47,939	
			23,57,432
Total	..	...	29,03,457
Total expenditure	.	...	23,60,389
Closing cash balance	...	...	5,43,068

4. The total demand on account of rent, current and arrears, amounted to Rs. 21,46,469 of which Rs. 20,05,447, or 93·43 per cent., were collected, being 31·25 per cent. in the case of arrears and 97·00 per cent. in the case of the current year's rent as compared with 29·07 per cent. and 95·96 per cent. in the previous year. The outstanding balances, whether on account of the current demand or of arrears, which at the end of the previous year amounted to Rs. 1,72,692, have been reduced to Rs. 1,41,021 in the year under review. Generally the collections on account of the current demand were very good. Leaving out of consideration the Rájapur estate, which was under management for only a portion of the year, and in which the collections amounted to only 82·42 per cent., there were no estates in which less than 94 per cent. of the current demand was collected, and in only four estates were the collections less than 95 per cent. of the demand. In the Rámnagar Dhameri and Rehwa estates, the deficient collections are said to be due to the failure of the kharíf crops, and in the Rámpur Estate to the default of the co-talúkdár, Babu Anant Parshad Singh, against whom suits now appear to have been instituted. It is unsatisfactory that the short collections in Deokalia (9 anna share) estate should have to be ascribed to mismanagement. The management has now been changed, and the Sitapur District has been brought under the special scheme. A satisfactory improvement is observed in the collections of the Bhiragobindpur estate; there remained however a large outstanding balance of arrears of previous years amounting to Rs. 10,255 of which Rs. 3,226 have been remitted as irrecoverable.

5. The advance collections have now been reduced to Rs. 4,045, but it is observed that the Deputy Commissioner of Sitapur has again omitted to explain why rent was collected in advance in the Akbarpur estate. His explanation should be called for.

6. The receipts from sources other than the rent of land amounted to Rs. 3,47,939 as compared with a demand of Rs. 4,03,167, which includes a loan of Rs. 22,000 taken by the Surajpur estate from the Allahabad Bank, and Rs. 44,896 realised from the Talukdár of the Sarwan Baragaon estate, in satisfaction of the balance of the loan due to Government. The collections of takávi advances were poor,

amounting to only Rs. 16,767 out of a demand of Rs. 22,588. In this connection the attention of Deputy Commissioners should be drawn to the remarks in paragraph 10 of the review for the year 1888-89. A very decided improvement is noticed in the collection of law expenses, and it is trusted that the measures now being taken will reduce the still considerable outstandings in the Kheri District, which amount to Rs. 5,570.

7. The cash balances at the credit of the estates at the end of the year aggregated Rs. 5,43,068, of which Rs. 3,50,045 were invested and Rs. 1,93,023 uninvested. There is no detail of the sums, if any, which were invested in the purchase of landed property; and information on this head is awaited.

8. The total expenditure amounted to Rs. 23,60,389, of which Rs. 6,67,495 represents sums paid towards the liquidation of debts. The demand on account of land revenue, cesses and rates was paid in full and amounted to Rs. 9,14,210, or 40·6 per cent. of the current rental. The cost of management has increased from 5·8 per cent. to 7 per cent. of the normal income, mainly owing to the imposition of a rate to meet a portion of the cost of the Court of Wards establishment in the Board's office. The special scheme of management was in force in the Rae Bareli, Kheri, Sultánpur and Bara Banki districts, a separate manager being in charge of the estates in each district. It has since the close of the year been introduced into Sitapur.

9. Ordinary personal expenses amounted to Rs. 1,57,909 and extraordinary to Rs. 33,282. The larger items included under the latter sum were mostly required for various religious ceremonies, and are sufficiently explained by the Board. Of the three wards who were at the Institute at Agra when it was closed, two have been sent to the Colvin Institute at Lucknow and one, Thakur Shankar Bakhsh, is learning how to manage his estate.

10. Rupees 17,735 were advanced to tenants as takávi as compared with Rs. 13,756 in the previous year; and the expenditure on improvements has increased from Rs. 31,818 to Rs. 44,731. This is a considerable improvement, but the expenditure is by no means proportionate to the size and importance of the 38 estates which have an aggregate rent-roll of 20½ lakhs and a balance of 5½ lakhs. Loans to tenants were made in 25 estates and expenditure on improvements was incurred in 30 out of the 38 estates. It is observed that there was no expenditure either on improvements or in the form of takávi in the following estates:—Bubriha, Deokalia (7 annas), Kunera, Pandwasi, Rájapur, Togapur Yakutganj, Akhiapur. Bubriha is a small estate, but it is free from debt, and the year's income, Rs. 2,227, exceeded the expenditure, Rs. 1,308, by Rs. 919. The cash balance amounts to Rs. 2,625, of which it may be here remarked Rs. 1,125 were uninvested. It is to be regretted that the obstruction of the cosharers who hold the lands jointly with the ward, in the matter of improvements, could not be overcome. The Deokalia (7 annas) and Kunera estates are in debt, but there is every prospect of the debts being cleared within a very few

years, and there is no reason why more attention should not now be devoted to the improvement of those estates.

11. The Lieutenant-Governor is glad to see that larger sums have been provided for expenditure on improvements during the current year: he trusts that the works proposed and budgeted for have been carried out. It is not creditable to the local administration that in the Kheri District the budget allotments during the year under review were to a large extent not utilised. In Khairigarh Rs. 1,691 were provided and only Rs. 867 spent; in Mallanpur Rs. 1,500 were provided, but only Rs. 876 spent; and in Kaimahra only Rs. 555 were spent out of an allotment of Rs. 1,000. I am to ask that next year the extent to which the allotments have been worked up to, and sanctioned projects executed, may be noticed in more detail. I am to express a doubt whether the expenditure by the Khapradih estate of Rs. 1,990 on the construction of a ward in the Dufferin Hospital at Fyzabad has been properly included under the head of improvements.

The Lieutenant-Governor observes that of the estates mentioned in last year's review as having large balances, but as being backward in the matter of improvements, there has been a marked improvement in all except Dahyawan. This estate has a cash balance of Rs. 59,549 and the expenditure of Rs. 422 on improvements was quite inadequate.

12. The Board have omitted to give any details of the miscellaneous expenditure, which amounted to Rs. 3,20,544. Details should be now furnished, grouped under some general heading.

13. The following statement gives statistics of estates, the owners of which have been declared disqualified on their own application under clause *(g)* of section 162, Act XVII of 1876 :—

14. The Khairigarh estate was on the death of the Talukdár, Rája Indra Bikram Sah, in 1885, taken under the management of the Court

with debts amounting to Rs. 2,21,520. These have now been liquidated with the exception of Rs. 3,278, against which however there was a cash balance of Rs. 23,467. The estate would under ordinary circumstances have been made over to the senior of his widows. Ráni Surat Kunwár. This however was not considered advisable in view of the size and importance of the estate, and of the fact that while the Ráni has only a life interest in the property, she is bitterly opposed by the male relatives of the late Rája.

15. The debts of all the estates under management have been reduced from Rs. 32,23,541 to Rs. 25,41,064.

16. The Bhiragobindpur estate is under management pending the liquidation of the Government loan granted to Sirdárs Gulab Singh and Autar Singh on their joint responsibility. The sanction of the Government of India has been obtained to commutation of a portion of Sirdar Autar Singh's pension for Rs. 60,000, with which he will pay off his share of the Government loan, and proposals are awaited for the removal of the disqualification placed on him with regard to the management of his portion of the estate. It is expected that Gulab Singh's portion of the debt will be liquidated by 1895.

17. Of the two encumbered estates under management at the close of the year, one, Mahona, has since been released, and now Bahua is the only estate still managed under Act XXIV of 1870. The Talukdár is unwilling that any portion of the estate should be sold, and it is estimated that it will take eight years to repay the balance of the debt, which has been reduced from Rs. 1,00,381 to Rs. 33,000.

18. The following statement gives details of the ejectment notices that were issued during the year :—

District.	Estate.	Number of notices issued.	Number of notices contested	Number of notices successfully contested.
Kheri ...	Khairigarh	5	4	1
	Mallanpur	11	...	...
Sultánpur ...	Kurwar	17	9	6
Fyzabad ...	Khapradih	6	5	...
Bara Banki ...	Bhilwal Sikandarpur ...	9	9	1
	Rámnagar Dhameri ...	10	10	2
	Narauli	5	2	...
	Total ...	63	39	10

Considering the size of the estates the total number of notices issued is not excessive, but the Lieutenant-Governor regrets to see again that want of care in the issue of notices in the Kurwar estate, concerning which he had to comment adversely in the review of 1888-89, and which led to the issue of an order that no notices should be issued in

the Sultánpur District without the previous sanction of the Commissioner, an order which last year was rescinded on the recommendation of the Board. I am to request that some explanation may be given of the circumstances under which the six notices which were successfully contested were issued.

19. Some information should have been given as to the extent of litigation in the Rent Courts, and of its results. A brief abstract of the result of the civil litigation in which the estates were engaged should also be given in the Annual Administration Reports.

20. The number of charitable endowments and miscellaneous trusts on the Board's list has been increased by six, five of which are old endowments and should not have been omitted from the returns of previous years. The only new endowment of the year is the Grigg Female Hospital Fund, which consists of Rs. 11,000 worth of Government promissory notes bearing interest at 4 per cent. purchased from the subscriptions of Talúkdárs and others in the Bara Banki District and devoted to the maintenance of a female hospital at Bara Banki.

Excluding the opening balance the receipts aggregated Rs. 79,051; against an expenditure of Rs. 80,014; the balance at the close of the year amounted to Rs. 46,659. The increase in the expenditure on other than trust purposes, from Rs. 15,872 to Rs. 24,721, is due to the expenditure of Rs. 11,766 on the purchase of promissory notes for the Grigg Female Hospital Fund. There was no change in the number of educational trusts.

I am to request that you will convey to Colonel Grigg and Mr. Whish the acknowledgments of Government for the interest they have evinced in the management of the estates under their charge.

I have the honor to be,

SIR,

Your most obedient servant,

J. J. D. LATOUCHE,

Chief Secy. to Govt., N.-W. P. and Oudh.
